Miner's Miracle and **Gabriela Mistral Foundation** cordially invite you to the Be Part Of The Miracle reception, at **Ronald McDonald House® New York.**

When: March 23, 2011 from 6 - 8 pm
Where: Ronald McDonald House New York
(405 East 73rd Street New York, NY 10021)

Be Part Of The Miracle is a project under the direction of Mario Sepulveda, the leader of the 33 miners trapped underground for 69 days, to build 200 houses in the region most devastated by the earthquake in 2010. We invite you to share with Mario about his experiences and his program.

As part of his tour around the United States, "Super Mario" will be visiting with children and families of Ronald McDonald House New York, to spread his message of hope and faith. For more than 30 years, Ronald McDonald House New York has served as a home-away-from-home for children and their caregivers as they travel to New York City to seek treatment for pediatric cancer.
